Calling all Panteras!!!!

Saturday December 27th, 2014 7AM - 9AM

7905 Gateway Blvd Irvine, CA 92618

Cars and Coffee™ is a weekly Saturday morning gathering in Irvine, California where hundreds of proud drivers congregate to kick tires and have a cup of coffee. There is something for everyone to enjoy; classics, exotics, concepts, hotrods, motorcycles and motor-sport. And it's all free, minus the coffee of course. **The event is closing for good, this is the LAST show ever!!!!**

If you are located in Southern California, or are visiting the area, you may want to make it a point to stop by. If you are from outside of the area, so sorry. All are welcome and invited to participate. Exhaust fumes not included. A place to revisit the cars that inspired us and see the ones we missed.
