Scorpion DeTomaso - \$20000 (Port Saint Lucie)**1992 DeTomaso Scorpion**condition: **excellent**cylinders: **8 cylinders**drive: **rwd**fuel: **gas**odometer: **14000**title status: **clean**transmission: **manual**type: **other**

This vehicle is a 1992 hand crafted automobile with only 14K miles. It is in excellent condition. Power is supplied by a V8 Chevrolet engine built by Jasper Engines and is connected to a five speed transaxle. The chassis is a General Motors mid-engine two seat body. The DeTomaso styled Scorpion body is constructed of fiberglass. The high performance suspension was installed along with front and rear urethane control arm bushings. Bilstein 1.0 inch anti-sway bar on the front and 7/8 inch in the rear.

High performance brake pads provided for stopping power on both front and rear. The system has disc brakes on all four wheels with high performance pads. The engine was built by Jasper Engines who has been associated with NASCAR for years. They rate the engine at 350 HP at 5500 rpm.

The engine is fitted with Dart Torquer heads having 2.02" intake and 1.60" Stellite exhaust valves and Blue Racer Class 2 camshaft providing duration of 292 degrees on both intake and exhaust.

Paint is PPG's Black Cherry.

The wheels are manufactured by Motor Sport Lts. The front wheels are 8"x16" and the rear are 10"x17" This car has been well maintained and driven very little. It was featured in two nationally published car magazines.

I am asking \$20,000 and buyer must arrange shipment if out of area.

Clean and clear Florida title.
