☐ I heard a little about it

☐ I knew and chose to ignore it

☐ It is ruining my membership experience, make it stop.

16. A survey like this one seems like an extreme measure, do you feel...

☐ It was inevitable, tension between long term members and newer members has been building for years

- ☐ newer members are the future of the club and should be the ones making decisions
- ☐ long term members built the club and should be able to do whatever that want
- ☐ I suspect the club will dwindle down to so few members that it will go defunct

- ☐ Check Please!

Other (please specify)

20. The State of the Club email which went out earlier mentioned 4 Regional Rallies called NEWS (North, East, West and South) Do you like the idea of all POCA members having the same opportunity to enjoy a gathering like the 35 year old Fun Rally, but closer to home so more can participate?

- ☐ Yes, all members are entitled to the same membership experiences, let's drive and party on all four corners of the USA.
- ☐ Nope, The Fun Rally should be the only event, the club started in California, they need to come to us.

21. BONUS QUESTION: 2021 will be the 50th anniversary of the 1971 Pantera, a proposal not yet released would call for a Central USA Location (Oklahoma, Texas, Kansas) Giant DeTomaso Celebration, planning for an event such as this would take years. It would last 4-5 days and include track days, racing, autocross, shows, banquets, entertainment, Rally drives and more, I think....

- ☐ Great Idea, let's announce it and start a preliminary planning committee
- ☐ It's an OK idea, but I think it should be near my home instead
- ☐ I have no interest in this idea and I would never attend it anyway.
- ☐ Oh Look, something shiny..... ;-)
